

REMARKS

1  
2 Following submission of the Amendment filed on June 16, 2005, Applicant reviewed the  
3 amended claims and discovered that further amendments would place the present application in  
4 better form for further examination. Accordingly, this Supplemental Amendment is being filed  
5 to supplement the Amendment filed on June 16, 2005.

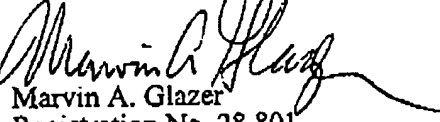

6 Again, this Supplemental Amendment treats claim amendments already presented in the  
7 Amendment filed on June 16, 2005, as having been "previously presented". Thus, words  
8 inserted in the June 16, 2005 Amendment are no longer underlined, and words that have been  
9 deleted are no longer shown as being struck out (rather, previously deleted words have simply  
10 been omitted).

11 Following entry of the Amendment filed on June 16, 2005, Applicant had paid for 120  
12 total claims and six independent claims. The total number of pending claims has now been  
13 increased from 120 to 146, for a net increase of 26 total claims. The number of independent  
14 claims has been increased from six to seven. Applicant has authorized the Patent Office to  
15 deduct the additional claims filing fees, for a small entity, from Applicant's attorney's Deposit  
16 Account.

17 Applicant apologizes to the Examiner for not having included the above amendments  
18 within the Amendment filed on June 16, 2005. Applicant requests that the Examiner reexamine  
19 the present application after taking into account the supplemental amendments made above.

20 Respectfully submitted,

21 CAHILL, VON HELLENS & GLAZER P.L.C.
